Sewerage total		£50.01

Combined clean water and sewerage charges for this bill £93.14

? Your questions answered

<< What is a cubic metre?

One cubic metre is 1,000 litres (220 gallons). This is equivalent to approximately 500 kettles, 12 baths or 30 standard showers.

<< How do you work out my sewerage charges?

We only collect the charges on behalf of your sewerage provider. For information about your sewerage charges please contact **Thames Water on 08459 200 888 or go online at www.thameswater.co.uk**

<< What is a standing charge?

A standing charge contributes to the cost of maintaining the water and sewerage networks (where connected). This is approved by Ofwat, the water regulator.

Making your water meter work for you

How to read your meter

Open the outer lid, remove any polystyrene cover and open any inside lid. Only read the black or white dials. Step by step video instructions can be found on our website at www.affinitywater.co.uk/howtoguides

Any problems? Call us on 0345 357 2412.
